Draft Summary

Rapporteur: Mr. Salah **Suheimat** (Jordan)

Addendum

12 *bis*. At the same meeting, the Preparatory Commission also took note of the following:

The proceedings of the Preparatory Commission for the International Criminal Court at its fourth session (PCNICC/2000/L.1/Rev.1/Add.1) contained the following footnote (footnote 85): "The issue of pre-trial regulations concerning the detention in custody in a prison facility made available by the host State, together with those concerning the detention of sentenced persons who remain in a prison facility made available by the host State, should be envisaged in the host arrangement. This arrangement should provide for arrangements concerning the exercise of the right of a detainee to file a complaint to a judge of the Court about the detention conditions." This footnote was deleted on the understanding that the issues raised therein are to be dealt with in the context of the host country agreement.
